

National Trust - Winkworth Arboretum Restoration

Appointed by National
Trust to provide
Quantity Surveying and
Contract Administration
services at Winkworth
Arboretum.

👤 Rob Lillis

📅 18th February 2019

We are very pleased to announce we have been appointed by National Trust to provide Quantity Surveying and Contract Administration services to deliver a new visitor centre, landscaping works and integrated car park at Winkworth Arboretum, Surrey.

The project primarily aims to restore and upgrade the provision of facilities at the site to include a café, shop, toilets, visitor reception and office space to attract more visitors to the Arboretum whilst ensuring the continued care and restoration of the surrounding woodland and landscape.
