

Emmaus UK - Archcliffe Fort Dover

👤 Andrew Diplock

📅 9th December 2022

We are very pleased to announce we have been appointed by Emmaus UK to provide Quantity Surveying and Cost Management services for Phase 2 of Emmaus' plan to deliver new facilities at Archcliffe Fort in Dover. We will be working alongside companions, the community manager, trustees and the professional team including HMY, Hawden MEP and Knapp Hicks & Partners.

The project aims to refurbish an existing dilapidated single storey building to provide new retail space within the heritage environment of the fort.

Emmaus is a fantastic charity who work hard to end homelessness. By providing a stable home and meaningful work, they help companions to regain their self-esteem and find a positive way to move forward with their lives.

The new facilities will enable the community created by Emmaus at Archcliffe Fort in Dover to continue to thrive.
