On a sunny weekend, Kent Youth Trials club convened for their end of season meeting at Cowden. Over 50 riders from 4 to 17 competed over two days on a variety of natural sections in the woods, testing their balance and bike control. The sections were set to cater for all abilities and the good weather ensured that the children could show their skills off to the maximum.

At the end of each day, all the riders received a medal and the top three from each class were also presented with a fantastic trophy courtesy of sponsorship from Woodley Coles.
